

To 2017 DIRTcar Late Model Teams:

Thank you in advance for supporting the 29th annual DIRTcar Summer Nationals.

Please find attached the details of the tour and we invite you to participate, whether it's in one event or all 29 events. Review the attached documents and don't hesitate to call if you have any questions.

We are pleased to offer again five weekly point fund rewards with a total of \$5,000.00 distributed to the top ten (\$2,000.00 to the weekly point champion) as well as an overall point fund. With the support of the five weekly sponsors, the series ending point fund returns to \$55,100 paying the top ten and \$25,000 for the champion. Drivers can collect rewards for participating in all the events or one of the five weeks. Also, we are joining with the World of Outlaws Craftsman Late Model Series again for two events June 30th and July 1st.

For your information..... This year's schedule is 29 races in 32 days. If you win every Summer Nationals event, you will collect **\$232,500.00** - \$197,500.00 in first place purse, \$25,000.00 for first in the points title champion and \$10,000 weekly first place. You have driven 4374 miles in about 72 hours making it the "Highway to Hell". It sounds like a piece of cake to me. The only way you will know is to come back night after night.

Follow all the news and updates at www.thehelltour.com or www.dirtcar.com or www.dirtondirt.com

We welcome back our great supporters of product and contingency sponsors. Many of these awards are cash and simply require decal placement. A driver could earn from \$50.00 to \$350.00 per night in additional awards sponsorship money.

Many of these companies and supporters understand how tough the "Hell Tour" can be and will award cash as opposed to product. It will be important that you all have the decals on the cars to be eligible for this cash and product. Over **\$30,000.00** will be awarded in cash and products.
