A: To compete in the 2018 Driven World Short Track Championship all competitors must have an affiliated sanctioning body membership based on the class in which you are running or a 2018 DIRTcar membership.

Q: Are temporary memberships available?

A: Full DIRTcar membership is a wise decision when it comes to your racing career. Among other benefits, DIRTcar Members are eligible for a \$50,000 excess medical policy should they become injured in a sanctioned event. This excess medical policy will help protect you and your family from a financial burden in case of an injury.

Should you decide not to elect the full DIRTcar membership and you don't hold an affiliated sanctioning body license, a temporary license will be required, and may be purchased for \$20. This license is valid only for the Driven World Short Track Championship and provides you with an opportunity to compete. As with any temporary license, you are not entitled to any of the DIRTcar membership benefits, including the excess medical insurance.
